STIPULATED MOTION FOR SUSPENSION OF PROCEEDINGS

Pursuant to Trademark Rule 2.117(c), 37 C.F.R. § 2.117(c) and TBMP § 510.03(a), Applicant WEATHER DECISION TECHNOLOGIES, INC. (hereinafter, “Applicant”), hereby moves the Board to suspend this opposition proceeding on the grounds of renewed settlement negotiations between the parties to this proceeding.

Opposer PeerSat, by and through Roscoe M. Moore III, stipulated to this suspension request on Tuesday, June 9, 2009 through telephonic discussions and email correspondence with the undersigned regarding this matter.

TBMP § 510.03(a) provides, "Proceedings may be suspended for good cause upon motion or upon stipulation of the parties approved by the Board. For example, proceedings may be suspended, upon motion or stipulation under 37 CFR § 2.117(c), for purpose of settlement negotiations, subject to the right of either party to request resumption at any time." Further TBMP § 605.02 states that parties negotiating settlement, "should remember to file stipulations to extend or suspend the running of the time periods set in the case."

Accordingly, Applicant hereby respectfully requests the Board approve suspension of this proceeding for ninety (90) days to allow further time for the parties to memorialize terms of a settlement agreement.

Respectfully submitted,

Weather Decision Technologies, Inc.
